Azerinsaatservis LLC. Executes the construction of Kars - Ahalkalaki Railway Line in Georgian region

Negotiations start tomorrow for the commencement of construction works by the Azerbaijani company within the next 10 days

Today, the name of the company which shall execute the construction of Kars-Tbilisi-Baku Railway Line in Georgian region has been announced. According to the exclusive information given to [ANS TV](#) office in Georgia by Ramaz Georgadze, General Manager of Kvarçahi-Ahalkalaki Railway project of the Georgian Railway Department, the Azerbaijani company Azerinsaatservis LLC. is the winner of the tender.

According to him, negotiations will start tomorrow for the commencement of construction works by the Azerbaijani company within the next 10 days.

Although more than 20 companies had applied to the tender committee the winner was elected from 3 construction companies at the final stage.

It is predicted that the groundbreaking ceremony of the railway construction will be held within a couple of days. Furthermore, it is expected that the President of the Republic of Azerbaijan and the President of the Republic of Turkey shall attend the ceremony as well.

It should also be noted that a 29 km long new line from Ahalkalaki to Turkey is obligatory within the scope of the transportation corridor. /[ANS TV](#)/
