### **Azerinsaatservis LLC. executes the construction works of Baku-Tbilisi-Kars Railway in Georgian region**

Azerinsaatservis LLC. was announced to be the winner of the tender initiated for the execution of the construction works of Baku-Tbilisi-Kars Railway in Georgian region.

It was reported by AZADINFORM that Ramaz Giorqadze, General Manager of Marabda-Kartsahi Railway LLC., informed journalists about the subject in question in his press statement.

R. Giorqadze stated that they envisaged the commencement of the preliminary construction works at the end of April and at the beginning of May. The company announced they had allocated US\$ 24.000 to Azerinsaatservis LLC. for the performance of official repair – construction works.

R.Giorqadze said there would be no interference with the project by the Armenian people living in Georgia.
