Azerinsaatservis LLC continues the construction of Section 1A (0 – 9 km) Alat- Masalli Highway.

Azerinsaatservis LLC

Baku, Azerbaijan

2010/04/28

The “Construction of Section 1A (0-9 km) Alat-Masalli Highway”, started in May of 2009, is executed by Azerinsaatservis LLC - one of the biggest highways and railways construction companies of the region. Currently the company speedily continues the construction works on the project.

According to the project of “Construction of Section 1A Alat-Masalli Highway”, the project of international significance, the length of the main road is 9 km, the secondary roads are 7, 69 km and the width of the road bed is 27, 5 km. As this road is considered to be of Category 1, two road junctions and one underpass for animals are being constructed on the road. Currently 37 % of road junctions and 86 % of underpasses for animals have been completed. The highway will consist of 4 lanes and the width of each lane will be 3, 75 meters. Generally, 86 000 m3 volume of asphalt works and 1 315 000 m3 volume of earth works are planned to be fulfilled on the project. 61 % of the earth works has been completed. The transfer of the communication lines costing 1 268 698 AZN has been completed at 86%. About 80 pieces of equipment and 300 employees have been attracted to the project works. And totally the project works have been completed at 34%.

The completion of “Construction of Section 1A (0-9 km) Alat-Masalli Highway” is planned for the November of 2010. The Customer of the project is Azeryolservis OJSC under The Ministry of Transport and the financier of the project is The World Bank.

Having been founded in 2003, Azerinsaatservis LLC. has turned into one of the leading companies in the construction of roads and railways in Azerbaijan and the Caucasus. The Company, which offers high-quality service, renders all kinds of services from A to Z in its primary field of business, namely in the construction of roads and railways, with its own possibilities.
