The representative of the World Bank has highly estimated the works performed in the area of 1A (km 0 – km 9) of the highway Alat-Masalli.

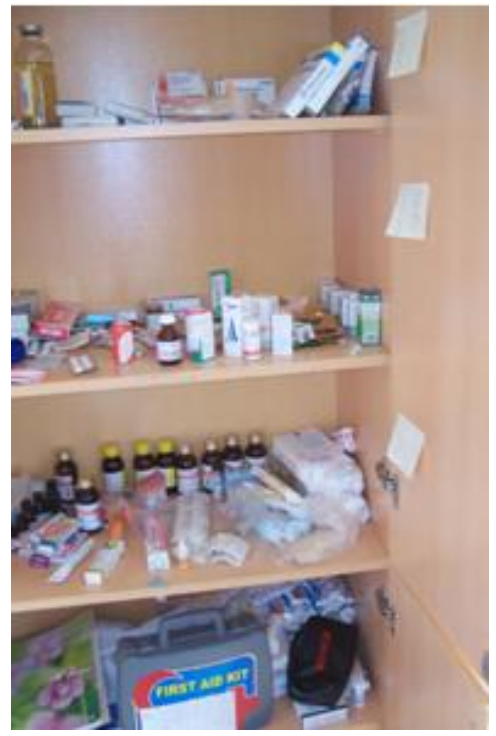

*Azerinsaatservis LLC
Baku, Azerbaijan
2010/07/23*

On July 23, the representative of the World Bank in Azerbaijan arrived for a visit to the area of carrying out the construction works within the framework of the project “Construction of an area 1A (km 0 km 9) of the highway Alat-Masalli”. The representative of the World Bank, being acquainted closely with all works, performed in site of construction works, canteen, and office and along the lines of the first medical aid has also met the representatives of the Open Joint-Stock Company “Azerinshaatservis” in the site and the project manager. Passing a remark regarding the results of this visit, he has also noted that the works performed in the site of the Joint-Stock Company “Azerinshaatservis” in direction of organizing the environment protection and security measures on high level and has expressed his outermost satisfaction in this connection.

The project “Construction of the area 1A (km 0 – km 9) of the highway Alat-Masalli” is performing by the Open Joint-Stock Company “Azerinshaatservis”, being one of the big companies of the region on the road and railway construction. Presently the company extends the construction works on the project with heightened rates.

The works on the project “Construction of the area 1A (km 0 – km 9) of highway Alat-Masalli” implemented as per the order of the Open Joint-Stock Company “Azeryolservis” of the Ministry of Transport of the Azerbaijan Republic and financed by the World Bank is expected to be finished before November 2010.

Having been founded in 2003, Azerinsaatservis LLC. has turned into one of the leading companies in the construction of roads and railways in Azerbaijan and the Caucasus. The Company, which offers high-quality service, renders all kinds of services from A to Z in its primary field of business, namely in the construction of roads and railways, with its own possibilities.
